For Immediate Release

Peelle is pleased to announce the available of their Field Consumable's Kit. This kit was developed to minimize field team down time; it includes all drill bits, taps, masonry bits, grinding wheels, cut-off wheels and saw blades required to install Peelle equipment (3 hoistway doors and 1 car door per kit). Some of these items are unique to Peelle freight doors, the kit will save unnecessary installer downtime to locate these items or consume their own supplies because Peelle packaged the needed door consumables in 1 convenient kit.
