works to attain near 95% on-time shipping record (visual scheduling system begins at "receipt of order" and extends to the shipment of the product to the customer). Hank Peelle, President and Terry Trushinski, Lean Manager, presented.

The folks who attend these conferences vary in Lean knowledge. Some are beginning their Lean journey while others have been applying some of the Lean tools and are looking for companies who are further down the process to see "what to do next". Peelle has progressed in their Lean manufacturing knowledge from learning how Lean works to the present, a featured lecturer.
