"Peelle creates a North American Sales Department

The Peelle Company had traditionally separated its sales departments by territories, the United States, Canadian and the remainder is worldwide Export Sales. With this separation, each department handled their own territory and elevator contractors within that territory as well as their respective trade shows and industry events. Effective 1/1/06 Peelle now has a North American Sales Department by combining its United States and Canadian Sales Departments. Export Sales will handle other markets worldwide. This Export Sales department is handled by Herman Reis in the Canadian
