For Immediate Release

RB (Robert Beatty) Peelle Jr. retires from The Peelle Company. RB Peelle, a fixture in the elevator community for almost a half century, retired from The Peelle Company this spring where he has served as Chairman of the Board since 1990. RB and his cousin HE (Hank) Peelle assumed ownership and management from their fathers, Bob Peelle and HE (Ed) Peelle Jr. in 1990 when they retired also following in the footsteps of their father HE Peelle 40 years earlier. RB started working for Peelle at the age of 19 when Peelle was located in Brooklyn, NY in the capacity of delivery boy. RB assumed many roles during his tenure at Peelle, from running the NY manufacturing facility to expert witness to most recently archiving product history, image building and managing discontinued Peelle product lines. RB's son, Chris Peelle, is currently Peelle's Construction Superintendent managing Peelle's numerous local NY and traveling IUEC teams. Hank Peelle remains Peelle's President, "this is a big loss for The Peelle Company, the employees and myself wish the best for RB as he starts this new chapter of his life, I plan to continue the Peelle tradition of serving the elevator industry with superior built products, research and development and unparalleled customer service on a world wide basis". RB and his wife Susie plan to spend retirement traveling to visit their 4 boys located in New York, California and Ohio and their growing number of grandchildren. "Susie and I will miss the many friends we made over the years and wish the best to our extended elevator family". RB Peelle can be reached at rbpeelle@aol.com.
