"I am very pleased to welcome Mr. Reynolds to the Standards Council of Canada (SCC), and we look forward to his contribution to the Board," this announcement was released by the Office of The Minister of Industry, Minister Maxime Bernier. "There is no doubt that his insights and experience will be very valuable in helping to guide the SCC in the years ahead", said Minister Bernier.

The Standards Council of Canada is a Crown corporation with the mandate to promote efficient and effective standardization in Canada. It facilitates the development and use of national and international standards and offers accreditation services with the goal of enhancing Canada's economic competitiveness and social well-being. For more information, visit www.scc.ca, or contact the Standards Council by email at info@scc.ca.

Mr. Reynolds has been with The Peelle Company Ltd. of Brampton, Ontario, since 1994. Mr. Reynolds holds a Professional Engineer accreditation from Professional Engineers Ontario. He is a member of the American Society of Mechanical Engineers — Codes and Standards, the Canadian Standards Association and the National Fire Prevention Association.
